Microsoft Business Contact Manager

The screenshot shows the Microsoft Outlook Business Contact Manager interface. The main window displays the 'Business Contact Manager - Start' page with various task cards like 'Firmen', 'Geschäftskontakte', and 'Verkaufschancen'. A red box highlights the 'CTI: Leitung wählen', 'CTI: Konfiguration', 'CTI: Hot keys', and 'CTI: Umleitung einstellen' buttons in the top toolbar. An 'Optionen' dialog box is open in the foreground, showing settings for incoming and outgoing calls, contact search, and telephony journaling. The dialog box has tabs for 'Einstellungen', 'E-Mail-Setup', and 'E-Mail-Format', with sub-tabs for 'Rechtschreibung', 'Sicherheit', 'Weitere', and 'Telefonie'. The 'Eingehende Anrufe' section has 'Kontakt automatisch öffnen' selected. The 'Ausgehende Anrufe' section has 'Kontakt automatisch öffnen' selected. The 'Kontakte suchen' section has 'Alle Kontaktordner durchsuchen' selected. The 'Telefonie Journal' section has 'Journalordner festlegen' and 'Nur für externe Anrufe führen' selected. The 'Einträge älter als' is set to 30 days. The 'Sonstiges' section has 'Standard Kategorien' and 'Benutzer Formulare' buttons. The dialog box has 'OK', 'Abbrechen', and 'Übernehmen' buttons at the bottom.
